

Australian Government  
Department of Immigration  
and Citizenship

## Immigration Detention Statistics Summary

31 October 2011

## ***About this report***

This report provides an overview of the number of people in immigration detention in Australia as at midnight on the date of the report. The report is produced on a monthly basis.

Data is sourced from several departmental processing and recording systems. Data relating to the immigration detention population is dynamic and there can be delays in transmission of information from the department's immigration detention network operations. Variations in figures between this report and previous issues can occur. Due to these issues, data from the current financial year should always be considered provisional.

Further information about immigration detention is available at [www.immi.gov.au/managing-australias-borders/detention](http://www.immi.gov.au/managing-australias-borders/detention).

### **Enquiries**

Any comment or enquiries concerning this report should be sent using our client service feedback form quoting the name and date of the report.

<sup>1</sup> Immigration detention as set out under s 189 or s 249 of the *Migration Act 1958*.

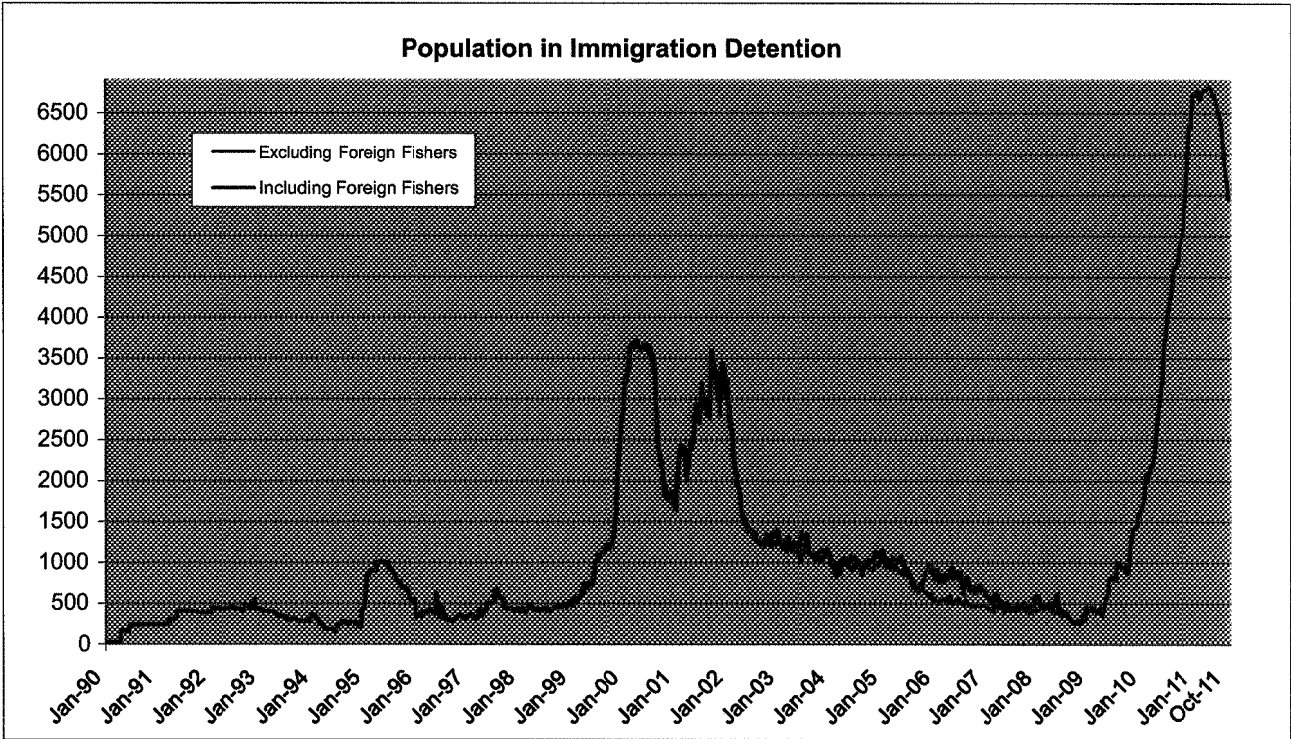

<sup>2</sup> Includes detention in the community in private houses / correctional facilities / watch houses / hotels / apartments / foster care / hospitals with a person designated under the Act.

<sup>3</sup> Residence determination as set out in the 197AB of the *Migration Act 1958*.

**Immigration Detention Population from 1990 to October 2011.**

The number of people in immigration detention has been declining since April 2011.

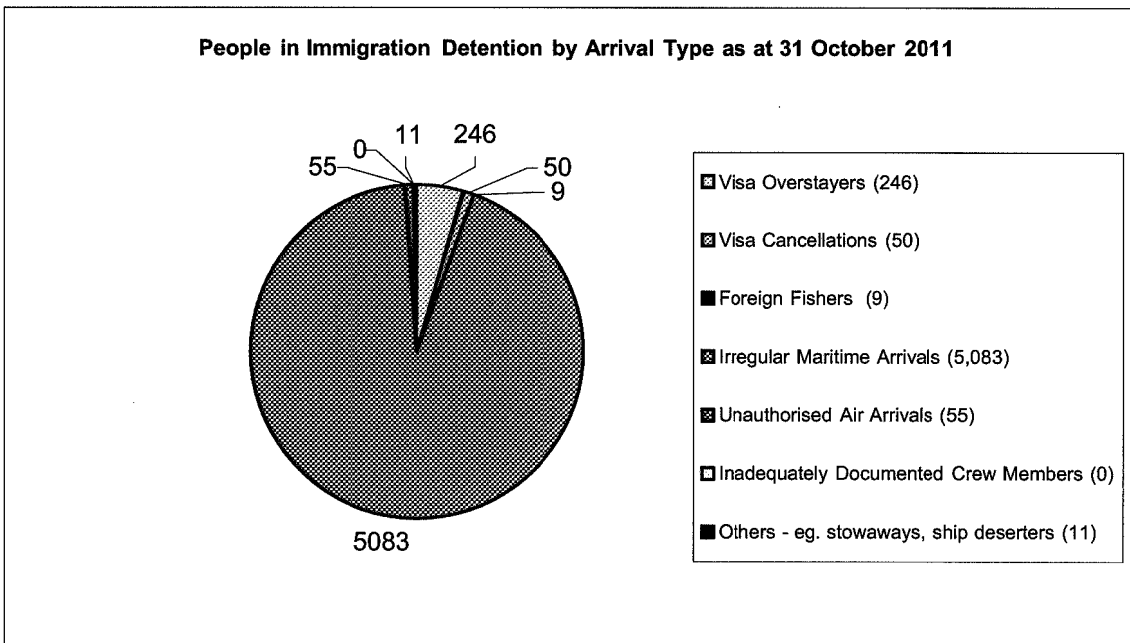

Figure 2

**People in Immigration Detention by Arrival Type**

The number of people in immigration detention who arrived unlawfully by air or boat as at 31 October 2011 was 5138, representing about 94 per cent of the total immigration detention population. There were also 296 people (about 5 per cent of the total immigration population) who arrived in Australia lawfully and were subsequently taken into immigration detention for either overstaying their visa conditions, resulting in visa cancellation.

Figure 3

### People in Immigration Detention by Nationality

Of the 4223 people in immigration detention in DIAC facilities and other places of detention as at 31 October 2011, around 29% were Afghan nationals, 26% were Iranian nationals and 10% were Sri Lankan nationals.

Figure 4

<b>Total</b>	<b>309</b>	<b>410</b>	<b>163</b>	<b>349</b>	<b>1231</b>

## Children in Immigration Detention

As at 31 October 2011, there were 370 children (aged under 18 years) in immigration detention facilities and alternative places of detention. No children are detained in an immigration detention centre.

Figure 6

Note: Other Places of Detention are Immigration Residential Housing, Immigration Transit Accommodation and Alternative Places of Detention.

The number of children living in the community under a residence determination has increased significantly since the Government's announcement on 18 October 2010, that it would move the majority of children and a significant number of vulnerable families into community based arrangements by 30 June 2011.
