Verification Letter for WJP Household Survey

Dear Sarah,

YouGov Denmark hereby confirms to have been conducting the data collection for the WJP GPP household survey in The Netherlands in 2016 and 2018.

YouGov was directly responsible for translation, sample design, pre-testing, monitoring data collection, data cleaning, data validation, quality control, methodological reporting and overall data processing.

Lightspeed was the sample provider, but did not host data or had any responsibility for the abovementioned tasks.

Kind regards,
