Relating: NV No. 38-01-58/1 from the Embassy of North Macedonia (e-mail March 10th 2023)

Dear Mr. Ziberi,

First of all I would like to thank you for your letter in which you express the wish of the Committee on Health to cooperate with our Standing Committee on Health, Welfare and Sport.

During the last meeting of our Committee we have discussed your kind invitation. The Members of our Committee appreciate the intent to cooperate and exchange experiences and opinions on issues of common interest to both countries in the context of the quality of health care. If the Committee on Health of the Assembly of the Republic of North Macedonia has a more defined proposal for the timing of such an exchange we will of course consider the arrangement of such a meeting in the future.

Sincerely,

Bart Smals  
Chairman of the Standing Committee on Health, Welfare and Sport
